

Job Title: Compost Operations Manager, Full-time

About EcoVerde Organics, LLC

EcoVerde Organics, LLC aims to be the Region's premier organics recycler. The company produces eco-friendly composts for use in gardens, landscapes and farms. Our vision is to reduce waste and use of chemical fertilizers, improve soil health and enhance the water quality of the Great Lakes basin through production and use of compost. We accomplish this vision by working with community stakeholders to locally source food waste, manure, yard waste and other natural materials as inputs, then use precision processing to create quality composts for soil amendment. EcoVerde Organics associates fully-embrace this vision and work diligently to produce quality products and provide excellent customer service. Join the EcoVerde Organics team to make a positive environmental and social impact in our community.

We are currently seeking candidates to fill the role of Compost Operations Manager, a full-time position reporting to the chief (President) at our new compost production facility.

Responsibilities include:

- Plan, manage, and supervise the compost operation, including waste/feedstock collection and hauling
- Operate heavy equipment and vehicles for collection and production
- Supervise compost and collection crews, ensuring safe operations and customer satisfaction
- Record keeping, scheduling, following regulations and procedures
- Performs selected sales and general management activities as required
- Perform any other duties that may be assigned as required

Basic Qualifications:

- Experience with agricultural/heavy equipment operation, maintenance, and repair
- Strong work ethic and commitment to EcoVerde's vision
- Team player with willingness to learn and be flexible
- Process improvement and problem-solving skills
- Strong computer skills including use of spreadsheets
- Valid, clean driver's license
- Some schedule flexibility required
- Able to meet physical demands that include but are not limited to: lifting up to 50 lbs., sitting or standing for extended periods of time and working in inclement weather.

Preferred Qualifications:

- Education and/or experience in Agriculture, Horticulture, Landscaping, Agronomy, and related fields
- A working knowledge of the commercial composting process, particularly aerobic field composting
- Prior supervisory experience

Compensation: EcoVerde Organics offers competitive wages. Full-time positions include benefits. Annual incentive payments will be paid based on meeting quantitative criteria.

Anticipated start: January, 2020.

To apply: Send resume and cover letter to: info@ecoverdecompost.com.
