
Job Title: Compost Driver/Laborer, Full-time & Part-time available

About EcoVerde Organics, LLC

EcoVerde Organics, LLC (EVO) is a diversified full-service organics management company that aims to be the region's premier organics recycler. The company produces eco-friendly composts and soil-enhancing products for use in gardens, landscapes, and farms. Our vision is to enhance the land, water, and air quality of our region by recycling organic waste, minimizing use of synthetic chemical fertilizers, and thereby regenerating soil to improve soil health. We accomplish this by locally sourcing food waste, manure, yard waste and other natural materials as inputs, then use precision processing to create quality composts for soil amendment.

The Company is built on the idea of creating positive environmental, social and financial benefits to the communities it serves, while achieving its vision. This "impact investment" approach guides all our actions. EcoVerde Organics associates fully-embrace this vision and work diligently to produce quality products and provide excellent customer service. Join the EcoVerde Organics team to make a positive environmental and social impact in our community.

We are currently seeking candidates to fill the role of Crew Member – Driver/Laborer, with full and part-time opportunities at our Akron, NY compost production facility, reporting to the Chief Operations Officer.

Responsibilities include:

- Operate vehicles and equipment for collection and production activities.
 - Drive large box truck and manage totes for food scraps collection route
 - Collect horse manure with tractor and dump truck
 - Screen and bag finished product
- Perform manual tasks for facility operations and maintenance (includes bending & heavy lifting)
- Record keeping – i.e. food scraps collection data and compost pile temperatures
- Work in inclement weather
- Follow government and company regulations and procedures
- Other duties as assigned
- Hours: Monday – Friday, with very occasional Saturdays

Basic Qualifications:

- Valid, clean driver's license (CDL not required, but commercial driving experience highly desired)
- Strong work ethic, and commitment to EcoVerde's vision
- Team player, positive 'can do' attitude with willingness to learn and be flexible
- Able to meet physical demands that include but are not limited to: lifting up to 50 lbs, sitting or standing for extended periods of time and working in inclement weather and a noisy environment.

Preferred Qualifications:

- Experience with tractor/heavy equipment operation
- Basic computer skills

Compensation: \$20-22/hr DOE, growth potential, and an opportunity to make a difference in the world.

Anticipated start: November 2023. Open until filled.
